Wood Type		
Leather Colour		
Nozzle Colour		
Tacks Colour		

\*Bellows are generally around 24" long and roughly 7" wide (including BBQ bellows); Large c26" long and c9.5" wide.

Other comments \_\_\_\_\_

I accept that if the bellows are not paid for and collected within 3 months of completion they will be made available for sale (without any claim to them by me).

I have paid the non-returnable deposit.
